

### 2023 El Paso SHRM Professional of the Year

The EPSHRM Professional of the Year award recognizes the outstanding achievements of HR professionals and their contributions to the advancement of human resources in our community. All active El Paso SHRM chapter members are eligible except for those who have served on the Executive Board during the past year. El Paso SHRM wants to formally recognize those members who represent the “best” in HR – those individuals who serve as role models for the profession, those who are leaders, set standards for others and the profession, and those who apply their professional expertise outside of their organizations. The winner will be recognized during our 2024 Kick-Off Meeting on January 19, 2024.
